

Bruce Miller
Senior Project Manager

University of Arkansas – Fayetteville, AR
B.A. Architectural Studies

QUALIFICATIONS

Bruce has 21 years of experience in designing and constructing many USDA and FDA facilities and other industrial projects. This experience has come through years of engineering management with a major Fortune 500 company and his subsequent consulting efforts. His projects have included the total scope of food processing operations from receiving through processing and packaging to finish product storage, distribution, and wastewater treatment.

EXPERIENCE OVERVIEW

VAUGHN, COLTRANE, PHARR & ASSOCIATES, (since 2000). Responsible for managing and developing the detailed engineering and construction documents for USDA facilities and other industrial projects. Also responsibly for providing client services during the construction phase. Projects have included the following:

Ridgefield Farms, Huron, SD. Design and construction documents for a 150,000 sq. ft. beef processing facility.

Clement Pappas & Co., Inc., Springdale, AR. Design and construction documents for a 3000 sq. ft. product palletization addition.

Pinnacle Foods, Fayetteville, AR. Design and construction documents for a 10,000 sq. ft. process addition.

DairiConcepts, El Dorado Springs, MO. Design and construction documents for a 1,000 sq. ft. silo alcove addition.

Tyson Foods, Inc., Monett, MO. Design and construction documents for a new generation evisceration equipment process.

Procal Inc., Southwest City, MO. Design and construction documents for a 12,000 sq. ft. by products rendering facility.

Simmons Petfoods Inc., Siloam Springs, AR. Design and construction documents for a 120,000 sq. ft. pet food canning facility addition.

IDF, Monett, MO. Design and construction documents for a 65,000 sq. ft. process addition and renovation.

Conagra Poultry, Clinton, AR. Design and construction document for a 6,000 sq. ft. product cooler and shipping dock addition.

Conagra Beef, Cactus, TX. Design and construction documents for a 4,000 sq. ft. center line restrainer and driver alley addition.

Sysco, Palmetto, FL. Design and construction documents for a 65,000 sq. ft. food product distribution center addition.

Boar's Head Provision Co., Forrest City, AR. Design and construction documents for a 4,000 sq. ft. box room addition.

Boar's Head Provision Co., Forrest City, AR. Design and construction documents for a 20,000 sq. ft. Alkar oven renovation.

ADF, Verona, MO. Design and construction documents for a 13,000 sq. ft. spray dryer process addition.

Michigan Turkey Producers, Wyoming, MI. Preliminary process design for a 100,000 sq. ft. adaptive reuse project.

Didco Trading Co., Jonestown, Guyana. Conceptual design for a 30,000 sq. ft. poultry processing facility.

Bruce Miller
Senior Project Manager**University of Arkansas – Fayetteville, AR**
B.A. Architectural Studies

Cargill Meat Solutions, Friona, TX. Design and construction documents for a 20,000 sq. ft. hot box and sales cooler addition.

Cargill Meat Solutions, Dodge City, KS. Design and construction documents for 3 separate projects including 32,000 sq. ft. sales cooler addition, 4,000 sq. ft. tallow process addition, and 28,000 sq. ft. beef grinding addition.

OK Foods Inc., Ft. Smith, AR. Design and construction documents for a 100,000 sq. ft. further processed poultry addition.

Dutch Quality House, Decatur, AL. Design and construction documents for a 16,000 sq. ft. addition and renovation to a cooked poultry processing facility.

Excel Corporation, Dodge City, KS. Design management of a 12,000 sq. ft. kill floor addition to a beef processing facility.

Boar's Head Provisions, Forrest City, AR. Design and construction documents for 2,000 sq. ft. addition to meat and poultry cook facility.

Future Beef, Arkansas City, KS. Design and construction documents for a 325,000 sq. ft. beef products center.

Tyson Foods, Nashville, AR. Design and construction documents for a 66,000 sq. ft. cold storage and ASRS addition.

IDF, Monett, MO. Design and construction documents for a 27,000 sq. ft. spray dryer addition.

Tyson Foods, Center, TX. Design and construction documents for a 35,000 sq. ft. processing addition.

Grupo Melo, Republic of Panama. Design and construction documents for a new Greenfield 52,000 sq. ft. cooked poultry processing facility.

OTHER EXPERIENCE

THE PHARR GROUP, Rogers, AR. Vice President (1998-2000). Responsible for developing the detailed design and construction documents for USDA facilities and other industrial projects. Projects include:

Gerber Poultry, Kidron, OH. Design management for a 25,000 sq. ft. plant addition after a fire loss at this poultry processing facility.

Koch Foods, Chattanooga, TN. Design management of a 42,000 sq. ft. addition to a poultry processing facility.

Prairieland Processors, Arkansas City, KS. Conceptual and preliminary plan development for a beef processing facility expansion.

Excel Corporation, Dodge City, KS. Design management of a 47,000 sq. ft. kill floor addition to a beef processing facility.

Greko Foods, Cumming, GA. Design management of a 27,000 sq. ft. addition to a poultry deboning facility.

Michigan Turkey Producers Cooperative, Wyoming, MI. Design management of a 180,000 sq. ft. turkey processing facility.

IDF, Monett, MO. Design management of a 16,000 sq. ft. spray dryer and office addition.

HUDSON FOODS, INC. Project Manager (1992-1998). Responsible for project engineering and construction management of expansion and renovation projects at multiple facilities. Projects included:

Hudson Foods, Corydon, IN. Design and project management of an \$18M poultry par-fry addition.

Hudson Foods, Corydon, IN. Project manager for a \$3M hatchery expansion.

Bruce Miller
Senior Project Manager

University of Arkansas – Fayetteville, AR
B.A. Architectural Studies

Hudson Foods, Dexter, MO. Design and construction manager for a \$24M cook processing facility expansion and renovation.

Hudson Foods, Hope, AR. Design and construction management of a 30,000 sq. ft. fire reconstruction and plant expansion project.

Hudson Foods, Robards, KY. Project engineer for a 320,000 sq. ft. poultry processing facility.

Hudson Foods, Noel, MO. Design of multiple addition and renovations.

TYSON FOODS, INC. (1985-1992).
Responsible for producing design documents for multiple food processing facilities.

Tyson Foods, Inc., Pine Bluff, AR. Poultry further processing facility.

Tyson Foods, Inc., Green Forest, AR. Poultry further processing addition.

Tyson Foods, Inc., Green Forest, AR.
Complex hatchery.

Tyson Foods, Inc., Russellville, AR. Complex hatchery.

Cobb-Vantress, Siloam Springs, AR. Complex hatchery.

Tyson Foods, Inc., Rogers, AR. Distribution center.

Tyson Foods, Inc., Russellville, AR Distribution center.
